3. Suggestions from Parents

Frequent themes from the suggestion section included:

- Sports Infrastructure:** Requests for a cricket ground, football team, and sports teachers.
- Uniform and Cleanliness:** Requests for student uniforms and better cleanliness in washrooms.
- Canteen Facilities:** Demand for a functional and inclusive canteen.

- **Faculty Improvements:** Need for more teaching staff and subject-specific teachers, especially Political Science.
 - **Security and Maintenance:** Suggestions for campus security like cameras and better ground maintenance.
-

4. Conclusion and Recommendations

The majority of parents expressed satisfaction across key academic and infrastructural domains. However, feedback indicates room for improvement in:

- Expanding sports and recreational facilities.
- Improving sanitation and hygiene.
- Generating request for subject-specific faculty members to DGHE.
- Enhancing parent-teacher communication where partially satisfied.
